To Werribee Primary School’s Staff, Students, Families and Friends,

I would like to take this opportunity to introduce myself and share my excitement about my appointment as the new principal at Werribee Primary School (WPS).

WPS has a great reputation and I feel fortunate to be joining a school culture and community focused on student learning and a commitment to excellence. I am committed to supporting the school’s values of Respect, Responsibility, Cooperation and Courtesy and I look forward to building upon the strengths of the school together with you.

I would like to share some information about my educational background and professional experience. After finishing high school in Nowra, NSW, I attended Sydney College of Advanced Education and the University of Sydney where I received my Diploma of Teaching and Bachelor of Education. After a couple of years travelling and living in Japan, I taught in Sydney’s western suburbs and inner city from 1988 to 1999. I moved to Melbourne in 2000 and taught in Noble Park and Werribee. For the past six and a half years I have been the Assistant Principal at Glenferrie Primary School in Hawthorn. I completed my Masters of School Leadership at the University of Melbourne in 2010 and I am now looking forward to the next chapter of my career as the Principal of Werribee Primary School.

I wish everyone a happy and safe two week break and I look forward to meeting you when school resumes on Monday 7th October for the beginning of Term 4. I intend to make myself available after assembly on the first day of Term 4 and you will also be able to find me in the yard before and after school. Feel free to come up, introduce yourself and say hello.

I look forward to being a part of a warm and caring school environment and working together with you. Please feel free to call or stop by for a visit. If you have questions or concerns, please do not hesitate to contact me.

Yours sincerely,

David Quinn - Principal
TRIVIA NIGHT FUNDRAISING EFFORT
Thank you once again to our community members who attended our recent Auction and Trivia night. I am pleased to announce that this effort raised over $10,000 for the school. These funds will be allocated to our ICT budget, which will target the purchase of items, such as, iPads in the future.

BUNNINGS SAUSAGE SIZZLE
Thank you once again to our ever reliable sausage sizzle volunteers who spent the day, (from dawn till dusk) on Wednesday; cooking and serving sausages at the opening of the new Bunning’s Warehouse in Hoppers Crossing. We are most grateful for the continued commitment of these parents and friends of the school who go above and beyond in their service to the school; this makes a big difference to our fundraising profits, which in turn, provide us with the opportunity to add value to the resources we can provide for the children. Special thanks to Penny Hendricksen for her meticulous co-ordination of the event.

DANCE FEVER SHOWCASE
We hope parent/guardians and children enjoyed the Dance Fever Showcase Evening on Monday. We appreciate that so many of our community members were able to make the effort to come out on such a rainy evening. It was great to see our Gym packed to capacity; even greater to see our wonderful Werribee PS children dressed to impress, showing off their dance moves with such grace and style. I personally enjoyed the opportunity to join the children and parents/guardians on the dance floor for the ‘Greased Lightning’ finale. It was a lot of fun and a fabulous way to celebrate the end of term and the end of our Dance Fever program for the year. Please visit our school blog for more news and images of the Showcase Evening.

EARLY MORNING DROP OFFS
We do not advise parents/guardians to drop their children off to school before the yard is supervised; this begins at 8:40am. It has come to our attention that a significant number of children are being dropped off or are arriving independently at early times. We remind parents/guardians that we have a fully operational before and after school care facility at the school which is run by Camp Australia. Parents/guardians can make bookings or inquiries online at the following website:
www.campaustralia.com.au

CANTEEN
A comprehensive lunch order food ingredients list was published in last week’s OWL and is also available on the school website. This has been provided to assist parents/guardians of children who have specific food allergies. We hope this will help you to make better informed choices about lunch ordering on Wednesdays.

SECURITY OVER THE HOLIDAY PERIOD
Please remember that it is an offence for individuals to trespass on school property. If you observe or hear people acting suspiciously inside the fenced areas of the school during times when the school is closed (particularly over the holiday period), who you suspect are not staff members, cleaners or maintenance staff, please report this immediately to the police or the security company.

QUICK MESSAGES
Yard Supervision Times – Teachers are rostered on yard duty before school from 8:40am and after school until 3:30pm. Children who are not collected before 3:30pm will be sent to the office area. We also request that parents and guardians please vacate the playground areas after 3:30pm to assist staff in their supervision duties, as they need to attend meetings from 3:30.

No Hat – No Play – School hats now need to be worn according to our school’s Sunsmart policy. Please ensure your child has a proper maroon school hat to wear to school every day that protects their face, ears and neck. Baseball caps are not part of our school uniform and therefore may not be worn at school.

School Uniform Purchases – All school uniform items (including school hats) can now be purchased from Rushford’s School Uniform Supplies – 28 Watton St, Werribee.

Found – Scooter. A distinct coloured scooter has been found and is available for the owner to claim it at the office. If your child has recently lost a scooter, please contact the office.

P-2 Playground Surface – Thank you for your patience during the rectification works to our P-2 playground surface.

Last day Term 3 - Friday 20th September – Children dismissed at 2:10pm
HOMEWORK TASK
Thank you to the parents/guardians and children who completed and returned the whole school homework task. The School Council and leadership team have had an opportunity to review the feedback collated from the task and the staff will have an opportunity early in term four to share this with our new Principal, Mr Quinn. We certainly appreciate the feedback received and will endeavour to address some of the suggestions that have been put forward over the coming months. Here is a sample of some of the common suggestions that were made about the school under the following headings (with an additional section outlining some of the actions being taken by the school):

It is wonderful to hear that so many of our students are actively involved in a wide variety of sporting activities outside of school hours. Whilst on my yard duty Friday morning, I was greeted “Good Morning” by a young lad with a beaming smiling and a bag full of goodies! Not only was it delightful to commence my day with such happiness and positivity, but when I snuck a peek into the bag there were 4 magnificent trophies that the recipient was very proud and excited to show me!! Congratulations Jamie Taylor for your outstanding achievements in Table Tennis this season.

The four trophies shown with Jamie in the photo were awarded for;

YEAST 3/4 CAMP MANYUNG RECOUNTS

We are BACK! That’s right; we are back from our three-day camp! On Wednesday the 11th of September, the grade 3/4 students all travelled by bus to Camp Manyung which is located in Mt Eliza. The 2-hour drive went quick as students discussed with excitement and enthusiasm the activities and the fun times that they soon would engage in. Camp Manyung had so much in store for the 3/4s. We got to climb trees as tall as 18 metres; we were suspended in the air and saw views of magical Sunnyside beach. We cruised the bay on a speedboat and enjoyed getting to know our friends and teachers around the campfire while eating marshmallows and damper.

Camp Mini Snapshots:

Camp was so fun I enjoyed the Bay discovery because I could see the bottom of the ocean. I saw sea creatures and a starfish. The water was crystal clear and the colour of the sky. I can’t wait to go back! – Breeanna White

The giant swing was the best. I went so high and as I pulled the rope my heart was beating super-fast. I wanted to get down as my stomach became queasy! The best moment at camp was when I got to spend my 9th birthday with everybody and had cake. It was delicious! – Tannika Willis

I loved the giant swing. It was awesome! It made me feel like Superman. I felt like I was flying. When you are in the air, you drop but there is no-one there to catch you. Camp was really fun! – Jack Rodriguez

Sadly it all came to an end on Friday the 13th of September. Camp was amazing and we will forever cherish the memories made at Camp Manyung 2013.

The grade 3/4s would also like to thank the parents who joined us, David, Tim and Adam. We couldn’t have done it without your support!

3/4 Students and Teachers
School Banking Update: Redeem your tokens for a moneybox this year!

In 2014 the School Banking program will be launching a new set of exciting reward items for students to redeem their tokens for. Each reward item will continue to be valued at 10 tokens (i.e. 10 deposits) and there will be two new reward items for students to choose from each term.

With exciting new reward items on offer in 2014, please be aware that the Dollarmites moneyboxes will no longer be available next year. To avoid any child missing out on claiming their moneybox, please let your children know of this change and encourage them to redeem their moneybox this school year.

In an effort to ensure your child doesn’t miss out, the rule of one money box per year has been removed. If your child is trying to collect the series of Dollarmite moneyboxes, they are encouraged to do so before the end of the school year. Please understand that the still need to redeem each moneybox for the required 10 tokens.

SCHOOL BANKING REWARDS:
Do you have 10 or more tokens at home? If so, you need to trade them in for rewards before the end of the year. You should have received an information pack with the rewards information inside. Please fill out the form as to which reward you would like to receive. **DON’T FORGET TO INCLUDE YOUR 10 TOKENS.**

If your child has ordered a token and has not received it, please come and see me in the office.

Thanks

Janeane
