Spare Meals Wyndham

We’re here if you want to get rid of excess food with out it going to waste, overloaded fruit bowl, cooled too much dinner, cleaned out your pantry, etc.

With the donated items, we cook them up and offer them back up on the page for free, to families in need and add them to call outs which are for more drastic circumstances where a longer length of time needs to be covered rather than just a nights worth of meals.

Unlike a lot of support services, Spare Meals Wyndham does not require a Health Care Card.
Any resident of the City of Wyndham who needs a meal can use our service.

The generosity shown by the Wyndham Community brings us all closer.
