Principal’s Awards

Congratulations to the following students who have received a Principal’s Award:

Week 1

Tyler Butler (3/4W) excellent writing with his snapshot piece based on “The Very Hungry Caterpillar”

"Again?" I yell angrily "I always fail backstroke"
"Hey relax," my swimming instructor tells me. "Try a kickboard. It will make it easier," she instructed.

Boy was I wrong! As I tried for the 10 000th time, my weight pulled me under the churning water! I gasp for air as I pull my head out of the water as quick as I can.

"Stay here while I deal with the others," she instructed me. She glanced at the others.

"Unbelievable!" she says with a sigh.

"Boy I wish upon a star that I was at school now," I thought to myself as she turned away.

Term 4

Welcome back to Term 4 and I hope everyone had a wonderful break. It is going to be a very busy term with lots of extra curricula activities such as excursions, incursions, swimming, dance classes as well as our fundraising activities such as the fete. Please keep an eye on the calendar on our website and the email alerts to keep abreast of what is going on and when.

2015 Planning

We are currently beginning the process of planning our class and staffing structure for 2015. It would be most helpful if parents or guardians could inform us as soon as possible if they plan NOT to return to Werribee PS next year. In a similar way, if you know of children or families who intend to enrol their children at Werribee PS in Foundation or other Year levels in 2015, it would be appreciated if you could encourage them to do so as soon as possible. This will assist us with the very complicated task of developing class groups and assigning staff to these groups. The planning process for the 2015 school structure will be undertaken by school staff in a collaborative manner and will continue throughout Term 4.

SunSmart Hats

Just a quick reminder to please ensure your child has an appropriate SunSmart hat to wear whenever they are outside in the yard.

Have a fantastic fortnight.
