Werribee Primary School will be celebrating active travel day on **Wednesday 11 March**. We encourage students and their families to leave the car at home on this day and get a taste of the benefits, ease and fun involved in choosing to walk and wheel to school.

To celebrate riding, walking and scooting as fun ways to travel to school, we are organising the following activities on the day:

- **Rollathon day** (riding bikes or scooters)
- **Handing out raffle tickets** to the walkers and wheeleers and present prizes at lunchtime on the day

Parents can join in the fun by walking or wheeling with the students. If you live too far away from school and want to travel part of the way to school, then **Meet Mrs Wembridge at Chirnside Park at 8:30am and walk with friends.**

We support our students to walk or wheel to school because:
- Students feel fresh and alert at the beginning of a school day.
- There are fewer cars around the school which eases ‘drop off congestion’.
- Students are more likely to reach the recommended 60 minutes of physical activity they need each day.
- Students feel happier, healthier and perform better in the classroom.
