

Student Dress Code Policy

Rationale

Werribee Primary School has always had a strong tradition of students wearing a uniform. The maroon colour associated with the school is known and recognised around the wider Wyndham community, giving students a sense of belonging and a degree of security. The uniform assists the students to feel pride in their school and themselves.

Aims

School Council requires all students to wear the official school uniform to:

- Create a distinctive, attractive, practical mode of dress in the school colour of maroon.
- Create and promote a sense of belonging to Werribee Primary School.
- To identify students in the community, particularly during school excursions, sporting activities and special occasions.

Implementation

- The dress code applies during school hours and whilst travelling to and from school.
- The wearing of school uniform is compulsory for all students at Werribee Primary School.
- The wearing of sports uniforms is compulsory at sporting competitions.
- On school house sport days children may wear t-shirts in house colours.

- Year six students may purchase and wear, as part of their uniform, a Year 6 T-shirt or Bomber Jacket, which will be available by ordering early in the school year.
- Students new to the school will be allowed three weeks in which to comply with the Student Dress Code.
- The school has a uniform shop and a second hand uniform shop available for parents / guardians to purchase uniform items. The school will use the services of State Schools' Relief in appropriate circumstances.
- When a student does not comply with the uniform options, his/her parents or guardians will be contacted and provided with a copy of the uniform requirements. This letter will seek their support of school policy and explain avenues of assistance available.
